OUR PIZZA PHILOSOPHY

First Class Pizza founders, Jeff and Angie Sustacek, have been making great pizza in Orange county since 1978. Their philosophy is simple: use only the finest quality ingredients to craft the best pizza possible.

First Class Pizza starts with dough that is made fresh daily. Our sauce is mixed with a special blend of eight herbs and spices. We top our pizzas with cheese that is 100% mozzarella and vegetables that are the finest quality available. Plus, all meats are "butcher cut" lean to our strict specifications.

First Class Pizza doesn't count or weigh toppings. Instead, we just cover our pizzas completely. That's the way you would want it, so that's the way we do it. Simply put, you won't find a better pizza. Enjoy the best pizza the Inland Empire and Orange County has to offer!
